## New Age Enclosures Position Statement regarding REACH Regulation 1907/2006

- New Age Enclosures is a producer of plastic enclosures and parts manufactured solely in the United States.
- New Age Enclosures confirms that we understand our obligation under REACH in our roles as a manufacturer of plastic components.
- New Age Enclosures has no locations inside the EU. None of our material suppliers are located within the EU and we are not acting as a distributor of products made within the EU.
- New Age Enclosures does not intend to pre-register or register any substances as we do not sell any articles containing any substances that, to the best of our knowledge, are intended to be released at any time. Therefore, pre-registration or registration is not required.
- New Age Enclosures is in contact with all our suppliers in order to get proper information and to ensure the availability of articles in the future.
- New Age Enclosures will monitor all further obligations with regards to Annex XIV (the "Candidate List") regarding SVHCs. We understand our obligations regarding SVHCs listed under Annex XIV.
- New Age Enclosures will provide all relevant Material Data Sheets (with the substance name, at a minimum) and safe handling practice (if applicable).

New Age Enclosures is fully aware of the requirements given by the REACH regulation and has identified its roles and obligations to the best of its knowledge.
